EXCLUSIVE EVENTS

Our villa, Plenilunio Bali, is located on the 170-meters off the spectacular cliff on the Bukit Peninsula, facing the Indian Ocean view, making it the best wedding venue in Uluwatu Bali for cliff wedding Bali as it serves 180-degrees beautiful panoramic sunset view looking at the Indian Ocean view. If you are thinking of having a spectacular wedding with sunset view, then you have come to the right spot.

Villa Plenilunio, wedding venue in Bali, was built of 150-year-old unique Javanese traditional wooden-house accommodation with big swimming pool and some open space area for the wedding. It is perfectly made for those dreaming to vow under the stars witnessed by the limitless horizon across the Indian ocean view with the full moon in the sky.

Taken from the Italian language, “Plenilunio” itself means “Full Moon”, reminding us of the cliff wedding Bali venue where the full moon reveals its beauty to the lovely bride and groom on their wedding day. Please kindly note that the full moon only happens once a month, so feel free to choose the date wisely if you want to have a full-moon wedding party.

There might be a lot of wedding venues in Uluwatu Bali, but with the venue which can cater up to 200 guests, Villa Plenilunio, wedding venue in Bali, was built upon the 6000 sqm land in the fourth top destination for surfing paradise in the world. Huge grounds, traditional and unique villa, on top of the cliff, on top destination with great cultures, warm sunshine, sea breeze, blue sky, warm weather, and greatest sunset towards the beautiful full moon at night – these are all the bride and groom need in the Paradise Island.
