Many events require structures to be built at the villa. These structures can cause considerable long-term damage, especially to lawns and swimming pools. To minimize the risks of damage the following guidelines are in place:

- Structures such as marquees, service bars, pool platforms, dance floors and DJ booths need to be included on the Site Plan for approval.
- Marquees should be freestanding where possible.
- Staging and platforms should have drop sheets put down before painting

Villa Plenilunio has a set of specific Villa Guidelines that should be followed in conjunction with these general guidelines.

I confirm that I have read, understand, and will abide by these guidelines. Furthermore, I commit to providing these guidelines to all staff and clients on behalf of whom I am booking Plenilunio Villa.
